The main thing I noticed is your toys hung on the wall are not level...

Also, the C&C Renegade box in the first picture has the word 'Skins' on it... don't let Aircraftkiller see it, he might have a coronary if he realises Westwood committed such a cardinal sin

One thing that's always annoyed me, when I look back, is that I bought the Allied/Soviet pins from RA1 and never got the jewel box for them. I'm also annoyed that I lost my C&C hat, sweatshirt, and a myriad of t-shirts and posters.

I still have my Renegade t-shirt though. I'm not sure how many people have one of them (it's gray with a white C&C Renegade embroidered logo on the front left breast, tastefully sized... Not huge) but I've had it since 2001.
