90% of the forum users voted for a ban

if the owner of these forums truly gave a shit about the people here they'd ban azazel
clearly they don't

glances at IE logo in corner of browser window

err... yeah...

(Seriously, IE9 and IE10 are leaps and bounds better than the days of IE6/7. The most recent versions of IE are actually pretty decent and free of a lot of the bloat and whatnot that bog down other browsers like Chrome and Firefox.)

If so, it would not match to the topic, because it's about Azazel.

If you know what i mean.
