hahaha I didnt think anyone would notice! I actually had not realized that was in there at the time
=p

I had taken them out when I swung in rencorner. Didnt notice they were back in.

I try not to upload videos with hacks and skins on

Guess I should be banned then

I like it. Anything that is not the default is good.

Cheats aren't default crushy, you use em too??

That would explain how you won against Hitman lol

Love you <3
