i don't think most people would even know who the player was if he didn't make a fool of himself from time to time

there are far worse people out there

i for one think Renegade would be better off without you than him lol

men can not shut me up or run me out of town ...but I think shiton would be a easy target and with out his gang behind him he would run for the hills like a girl

Agreed

join the cause azazel .. you seem to be going around agreeing with almost anyone and kissing up to shiton even more ...maybe in the hope everyone will forget your a cheating mod who got cougth banned then made admin in the same clan-server you was cougth in . wilst at the same time hopeing to maybe become mod over at rencorner

this is the part where you say this is all untrue and we are supposed to trust your word ...cheaters are never trusted
