maybe the more times people see the word "TEAMWORK" they will be more likely to try using "TEAMWORK" the next time they play.

oh yea.. a bunch of people seem to make a big deal out of this: eventho i do very well at doing this, people seem to think that individual points in a clan game matter. If it wasnt for the tech/hottie behind you, you wouldnt be able to get the points that carry your team to a victory. Keep that in mind
