the yearly Jelly tribute to a fallen moderator is this Saturday and Sunday at 8 pm GMT (3 pm EST, 2 pm CST)

we celebrate spoonplex's memory with beacon tributes, staged battles, and other various things here's the video i compiled from one of the days last year

<http://www.youtube.com/watch?v=0vmN79xV7gQ> (do HD)

stop by and pay tribute to spoonplex or any of our lost Renegade players from over the years everything you've seen in that video may be done again, but instead with !fly implemented

hope to see some of you people there

Awesome to see 80 players in one server commemorating one of our community members.

Also what a stress test for that server hardware, the SFPS was below 20 most of the time!
