She's popping kids out like pingpong balls! She's probably looser than Xpert after a night of McDonald's food poisoning and cheap rent boys.

Your repetitive jokes aren't funny at all. Infact, you're not even funny

But seeing as you're still bringing up my name for no reason after months of not running into you, you're obviously still very butt hurt about the past and it's stinging you a lot.

Or maybe you got raped by some rental boys of your own. Must really suck to get a bunch of toothpicks stuck up your ass.
