This mappack contains a bunch of maps designed for Coop and/or Art of Defense.

The maps are supposed to be played against scripted computer controlled opponents and in most cases are scripted.

The zip contains an installation file that will install into your CnC 3 Tiberium Wars Maps folder directly.

Do not change the destination folder unless you know what you are doing and it is required.

Maps in this package:

AOD_canyon_storm_(v1)

3v5_Smok@lot_CompStomp_v1.1

Art_of_defence_-_avatar_invasion_v1.05

Art_of_Defense_-_Forest_assault_v1

art_of_defense_-_last_stand_v1.0

Art_of_Defense_-_Tiberium_grounds_v1_1

Centralized

Incoming-=AOD=-

Mission_under_high_voltage

Ring_Of_Death(Metal)

SarajevoRedZone

VonBing's_Pain_Harbor

Basically AirC*unkiller is just an average Player. He just feels important whenever he can raise his voice in a RenForum. I wish he would put this effort into his Maps and fix all the Problems they have instead of whining like a little Bitch.

With as much time as you spend on here trolling, you could be fixing the VIS on your maps. Why don't you do so?

ACK please just plug a toaster in and drop it in the bathtub next time you can. I'm so sick of 30 year old trolls who can't provide for their family going out of their way to project their own anger on everyone else. Muted from every possible community due to their obnoxious disposition and obvious mental handicaps yet still tries to pretend he's just the world's biggest troll. No one believes it bro, just check yourself into the asylum already. I'm considering calling child services for your daughter.

I'm not even 30 lol

You need to re-write that sentence if you're going to effectively troll. Right now, it doesn't say what you think it does, which is all the more amusing considering that you're trying to make yourself look like you're better than anyone here.

I bet your parents pay for your college education and your car, don't they? You sound real bootstrappy while someone else is paying your bills. You'd make a great Republican, just like Paul Ryan. Be sure to whine about Obamacare while not having a job to pay for your own health insurance!

I wish I still had that written out .jpeg ACK's wife made about him before she left him or some shit?
Complaining about how he's worthless, doesn't do shit with their kid, and uses all of their money
while she sits at home starving with her sickly mother or something? It was pretty much gold.
Don't know if it was real or not but knowing ACK I'm sure it was.
