There is no best vehicle. Every vehicle does exactly what it is suppose to do.

If i had to go with 1 vehicle it would have to be the bannana wagon. It kills infantry fast by shrinking and the infantry just slip and fall on it and crack their skulls.Who agrees

Personally, I like the Sedan more than the pickup truck, but can everyone agree with me when I say that both of them should have twice the armor of a mammoth tank?

the mammoth because it sucks dude

i like these gremlin dudes
