Condition:

Very Good: An item that is used but still in very good condition. No damage to the jewel case or item cover, no scuffs, scratches, cracks, or holes. The cover art and liner notes are included. The VHS or DVD box is included. The video game instructions and box are included. The teeth of disk holder are undamaged. Minimal wear on the exterior of item. No skipping on CD/DVD. No fuzzy/snowy frames on VHS tape. See the seller's listing for full details and description of any imperfections. See all condition definitions- opens in a new window or tab

My computer doesn't have a VHS player to play Renegade 2

Wonder if the VHS comes in the jewel case?

Luckily it comes with a CD/DVD combo so I'll be good....

Partially used and he doesn't even know what comes with the game, feel sad if anyone actually pays for this lol.

i am curious as to what that actually is
is it a scam, or is the poster just confused?
the world must know!

didn't they do the work on that later than 2002? he probably has an old Ren disc
though that would be rather neat
