I guess he was removed from mod as Wyld has advised him 3 million times to stop posting here but he wouldn't and MDK wanted to see for himself, so he registered?

Trist, why would I put IBUMCHARLIE? wtf

Creative Vult, but no. Dj has always been free to do as he wishes here. He never represented MPF in any way on these forums so his posts are his personal opinions / statements.

My intent to get him to stop was just feeling sorry for the e-beatings he gets here. You know my values and all.

I'm sure I saw a post on your forums of you saying he makes MPF look bad through his posting and you represent MPF blahblah

Hahaha! As a moderator, he does represent MPF as you are right now, be it directly or indirectly.

Funny how MPF people are happy to corral any critics into the Jelly camp, yet MPF people are so quick to say that a moderator of theirs doesn't represent MPF.
