I'd like to get a Lobby War going this Sunday, November 24th, at 2 PM Eastern time.

I've talked with Xpert and we may be able to have teamspeak automatically move players into the correct channel (gdi or nod) based on what team you are on. If that is the case, we can have random teams every map which in the past has been really fun and fair.

If that doesn't pan out, we'll just pick teams like a normal Lobby/Fun War.

To get a sense of interest, please post and let me know if you are interested or plan on attending.

I'll update this post later on with TeamSpeak information.

Thanks!

PS, Ren is still the best

Not sure, but the servers have 30 second delay anyway so we'll just switch ts channels manually during that time.

You just have to use the same name on TS as ingame.
