today and tomorrow at Jelly we're doing a tribute to spoonplex, a former moderator, player, and friend to the Renegade community that passed away from cancer 5 years ago  
feel free to stop by and blow some shit up and remember players of Renegade's past in your own ways

here's the video i compiled from Day 1 of last year

we put up some pretty incredible numbers over the past two days  
almost a hundred players on today, and over 80 players on carnage\_club at the same time - it was fucking absurd

here's the video from yesterday:

Yeah I was out of town this year, sorry I missed it. Looks like awesome numbers for a tribute.

He was a very cool young man and I am definitely better for knowing him.

RIP Spoonplex.

Thanks Liquid.
