only one man can dominate the entire Spam section with sheer spam in such a manner - all hail King Zunnie, hailing from the kingdom of MPF!

and scroll down the page and prior pages for even more evidence of his right to the throne

I'm a huge advocate of government spending, welfare programs, etc, and even I think Zunnie needs a fucking job so he does something productive with his life instead of posting on this forum every 10 minutes of every single day

He's going to have a heart attack eventually from drinking coffee 24/7. Not that I wish anything bad on him, but ya. I don't think he ever leaves his computer.

not sure if trolling or just the best your alabaman education can come up with. lmao. i don't have a grudge at all. it's the fucking internet. i was trying to add you on steam to just be brahs and you had to post on three different websites that you blocked me from being your friend like it was your greatest accomplishment in life. get weirder.
