in recent years he used aircraftkiller and he's the ragiest bad player you've ever seen. it was hilarious. we had to permanently mute him at both n00bstories and jelly when i was a mod there.

I like how a guy who spends his days talking about how he's been banned from a dead game's server and harbors e-grudges over it by cataloging information on everyone he hates over the Internet is trying to tell anyone else that they're mad or something lmao

So which is it? Are your parents miserable failures because of Oblackman or are they millionaires now? Because you keep flip-flopping on that. Inquiring minds would like to know.
