Try downloading a HUD, I use this one  
<http://www.renegadeforums.com/index.php?t=msg&goto=459522&rid=0>

After installing the hud look for and edit the following lines in the hud.ini file

```
NodHouseRed=0  
NodHouseGreen=0  
NodHouseBlue=255
```

^ this will change Nod text to blue

HUDs are not blocked by TT scripts/servers. If this fails then I can no longer help.

hope it works
