Some of you may remember this from back in April 2002. The UCF is in new leadership since May of '02. This is just an alliance where everybody can help everybody out. Keep the peace between the clans. Make sure that no clans get to headstrong and keep weak clans from being the center of abuse by the larger and stronger clans. This is for any clan that wants to join. The Constitution is pretty much a guideline to keep all affairs under control. the site is located at <http://cncgen.ttnetwk.com/jball/ucf>.

We are both Alliance based. We accept both NOD and GDI clans. From the smallest size of 1 to the largest allowed. We operate by all clans working together and cooperating without confrontation.

Prevail18That link didn't work.

<http://cncgen.ttnetwk.com/jball/ucf>

He had put a full stop at the end...

DUH!

When I do load it though the iFrame run the center overlaps the navbar so I can no see what to click on the left navbar.
