how much time do some people have on their hand's, its like that bear video where the guy goes up to the bear and fights it for its fish...pretty funny, but really sad when you think about how pittiful some peoples lives are considering they have that much time on their hand's... :rolleyes:

I was searching through all my posts and then found this.

I was trying to figure out where I found those stupid little creatures. I saw them on a "Quiznos" commercial and immediately remembered this song but I could not for the life of me figure out where I found it.

Edit: damn...just realized this is almost a year old.

Lol, that is pretty funny. It looks a bit gay and lame, but that is O.K. Too bad it never ends and just loops for ever.

Yes, I hate those creatures, they look so freaking messed up, it's very sad when you think that someone was paid to make up those creatures for a commercial.

Hey, it was an INGENIOUS marketing strategy. They created a funny image that will stick in people's heads, and those people are bound to remember quiznos when they get hungry.
