Thanks to everyone keeping up with the forums and the game itself over the past 2 decades. The recent news of source code releases has brought me back in time as well as many others I'm sure. Just wanted to share a word of appreciation and it's good to see the old familiar names still goin at it.

Hi, i also wanted to thank everyone big and small that contributed to keeping c&c renegade alive! Always kept a look out for it and i saw just yesterday its playable trough steam! Im 40 now and its been 22, 23 years ago since i played this online? Enjoyed last nights matches big time and hope to cu people around :biggrin:
