While driving around today (in Madison, WI) I saw a car with a personalized plate that read "1337"  
I chuckled to myself, partially because I am in on the elitespeak, but mostly because in order to  
obtain a personalized plate in this state, you must write out an explanation and definition to the  
DMV for approval. I wonder if he even tried to explain that.  
LOL.

I've been thinking of getting a personalized plate, here are a few choices, but I don't think many  
are going to be approved

FUQUDIE  
DETH2U  
ILLBURNU  
JAVAXCX  
BANDWAGN  
WTFOWND  
URALBAND  
TIME2DIE

And so on :-\
