My freind has just devloped a new site:

CnC Impulse

This will be home to clan *SOC* and the Scrin Evolution mod when its fully functional...

It has only been up a few days and we are working on some new sections...

Just wanted to ask for some feedback...

ThanX.

Thanks .

I need some help on making a flash site. Here are some things I need help with if anyone knows how to do any of these please treply to this topic thank you.

1)How to add the time includeing seconds minutes and hours?

- 2)How to add a music player that allows the user to control volume stop and start?
- 3)How to make a drop down menu?

Thanks

So Aprime you own me.

I would like to see you do that

lol I see what u mean with the soc pun

Anyway if anyone can answer them questions plz tell me!

Borisuk Thanks .

I need some help on making a flash site. Here are some things I need help with if anyone knows how to do any of these please treply to this topic thank you.

- 1)How to add the time includeing seconds minutes and hours?
- 2)How to add a music player that allows the user to control volume stop and start?
- 3)How to make a drop down menu?

Thanks
I get most my Flash tips from www.Flashkit.com

Time Tutorial
Music Tutorial
Dropdown menu Tutorial

guess. :rolleyes:

Creed.
I am not.
I'm just friggin busy.
