I watched it twice, and then once more going frame by frame for certain sections (just use the arrow keys). Most impressive

Presenting: Some Tasteless Unintelligent Idiotic Draft! (STUPID)

This just in: geeks around the world loose their will to reproduce.

This is almost NEVER a good thing.

Here we see a cameo by a Cuban drug lord's thugs... (note the tommy-gun...wtf?)

ohm... feel the matrix flow through you...ohm...

Finally: weirdest...gun...ever! this is the closest thing i know of.

Thank you, this has been STUPID.

(sorry for all the pictures)(begs for forgiveness from crimmy)
