hmmmmmmm C4Kitty likes to do it anal????? Anal rules!.....as long as the woman has a fine behind!

Oh yeah heres a little urban legend for you on anal sex. If a man (or a chick with a d!ldo [guess that would work too]) is giving it to a woman(only) and hes pounding here real good and he hits her really really hard in the arse then pulls out it will rip out her intestines!.....lol don't worry its only an urban legend.

Cuz when me and my ex' decided to go that route I wacked it somewhat hard(she thought I was

being playful :oops: ) and then I pulled out and nothing came out.....now that shes my ex I kind of wish something had come out :twisted:
