Yeah, it's that time of the year again!
More IRC issues. The direct connect to the IP doesn't work, nor the connecting to "n00bstories.radiantX.net"

If any of you get this problem, please post here and convince me it's not solely my issue. kthx

Its your issue.. there are no DNS errors.

Direct IP is 216.200.173.45

I havnt been able to connect lately either.
I also resolve n00bstories.radiantx.net to 207.44.205.140 not the IP you said England.

Ok, heh you were right, the shell died about 2 hours ago, and no one noticed.. cos it stayed linked

I was wondering why it was quiet in there.. works now, sos :\
