Is it just me or do most of those blobs give 404's?

I tried the red one, and the Canuk one, and a few others and they didn't work...

Duke of Nukes! find that funny coming from a guy that chose to be named after a little pink ball that sucks all his enemies...

Anything you find funny, can't be worth that page it's printed on considering you also thought we won the Vietnam War, and South Vietnam still "exists to this very day".

kawolskytammy101Lol I thought this post was about those useless blobs you sometimes find in a renegade game. lol

WTF are you talking about?

I think he is referring to Tiberium Visceroids
