I just want to announce my retirement from active duty within Renegade due to personal reasons. I am spending too much time on my computer, and as a result my personal life, as well as my school career is failing. I am cutting back as much as I can in all areas, and that includes Renegade. I am ditching AIM, and Renegade modding primarily. I can still be contacted on MSN at ZieglerDigital@hotmail.com if I am needed for some reason.

Have a good life everyone, and good luck with Renegade!

Apache Longbow "Death from above!"

End.

With all those boners with Lefty, I really do hope you get your life straightened out.
Lefty's on the path to heterosexuality, so it's good for you too!

All joking aside, although I never directly spoke with you, I wish you the best of luck =)
