If you have not noticed...

There is a new sniping server in town, BeanyServ. This server will be up 24 hours a day, 7 days a week.

I'm looking for some moderators... [Come to n00bstories.RadiantX.net, #BeanyServ to be reviewed as a moderator, or post here.].

I've installed some custom scripts that I, Whitedragon, and vloktboky have made. You can even start polls to kick players out [!poll kick name reason; !poll gameover].

- Beany
