could it be remodded? i was thinking maybe the sedan, remodded to look like a.....

DODGE VIPER!

or a

LAMBOGINI DIABLO!

or a

FERRARI F-355 BERLINETTA!

or a

ASTON MARTIN!

i was going for the dodge viper, some good moddler could prehaps attempt this! i would LLLLLLOOOOOOVVVVVVVVVVEEEEEEE to see a dodge in the game, it would feel great driving that, even tho its a game. post comments.

It'd probably be easier just to make a whole new model... But, it's possible...

I'd like a Viper... (btw, if anyone has \$85,000 feel free to purchase and ship a 2003 Dodge Viper to me! (500 bhp, and 500 ft lb torque !!! )

If you want a sports car go here but you would need to put bones and stuff into it.

Madtonei have a Audi TT Roadster model on my HD that i made when i was bored, lol i even skinned it!

i love audi TT's! i might be gettin one.

the sports car model, if it were to be a dodge viper then it would need a longer front end.  
take a look: <http://www.vipercentral.com/pics/pics.htm>

That wasn't supposed to be a Viper.

The Exige looks cool and all, but it has some really crappy performance and speed.

ALL YOU FUXX0RZ !!!!

i have made a Subaru Imprezza skin for the sedan but i have had to remake most of it in PS7 i havent released it but was trying to finish it off a while ago but i went away for a week and never

got back to doing it.

I started it as one of my first PH7 projects about 4-5 months ago so dont even try to pinch it

well here is the Audi TT Roadster model i was talking about.

maybe this could be worked into a fun mod???

The skin isn't perfect but i modeled this ages ago....
