Cncammo dosnt seem to be up, and it dosnt seem like they have been updateing the Renegade section very much lately.

I would like link(s) to fan sites that will let me upload my maps/mods for distribution.

Thanks.

and oh yeah, KANE LIVES!

<http://modx.renevo.com>

Your Renegade modding and modeling resource.

just upload in the correct cateryory and read the uploading faq first!
