I think giving the rank would do better if it was more than one word.  
For instance, "Multi-Posting Lamer" has a better ring to it in some ways. BUt Spammer has that creativity bonus to it.

Hey give my brother a break man he has had a lot of problems lately and has hd quite a lot of free time and I asume from the looks of things he has been spending it here...

If I know him right he just want's to help  
[http://www.n00bstories.com/renforums/search.php?search\\_author=Sk8rRIMuk](http://www.n00bstories.com/renforums/search.php?search_author=Sk8rRIMuk) he has calmed down a lot now...

19 posts today is less than some people and just changing his name to spammer is gonna gut him...

---

He is away at the skatepark at the moment but he will probably leave the forums when he sees he has lost the confidence of the community he told me he was gonna stop being so spammy and he did...

Just look at his posts in comparison to thos of some people \*Points at Greiver\* they are not so much as spammy as you may think.

Lol!! I didn't think you'd actually do it! Lol. :twisted:

These forums are soooooo much better, and interactive than before. Between Java's Richard Simmons pics, dj's mpegs, and real, live moderators with a sense of humor, this place is a lot more fun than it used to be.

Ya on the get a life thing...whatever I know this isn't to me but I do my share of posting...140 @ 11 er so a day. I could easily do the 30 or so a day because I spend 8hrs in front a pc @ work so I have these forums up 90% of that time. Just because someone post a lot doesn't mean they dont have a life & just because someone post a lot doesnt mean it's all spam. Sometimes I like to drop a 'lol' as a reply cause the shit is funny...oh well.

My 25cents.

OK, now its my turn, in Sir Phoenixx's words, You Would'nt know Spam if it bit you on the ass. Stop this bullshit, just cause we have more posts that any in these forums doesnt mean its spam, I'll say it again, it just shows we are VERY ACTIVE in the community.
