I require some textures that don't seem to be in the Textures.zip.

Here are pictures of the textures I need:

<http://www.n00bstories.com/image.fetch.php?id=1402646302>

<http://www.n00bstories.com/image.fetch.php?id=1008571463>

If someone could provide me with them I would be Appreciate it .
