As one who has been playing since the beginning and continue to play to this day, I would say that it is definetely worth buying, especially at \$15. There really isn't any other game out there like Renegade, as most are bunny-hopping fragfests that only 12 year olds on speed can play, or just plain don't have vehicles. The only game that comes close is Battlefield 1942, but do you really have \$45 to scrape up for it?

Sure, there aren't but a tiny fraction of game servers compared to say, Counterstrike, but even so, it's a game well worth playing. You can get pieces of budget crap for \$15 that are far worse than Renegade. If you're buying this game however, you should be buying it for the multiplayer, nothing more. Singleplayer is a joke, to be generous.

Bottom line: There are worse ways that you can blow \$15.

You should definitely get Renegade. It is the best multiplayer team FPS online. If its down to \$15, you should buy it very soon or you are an idiot. GO! BUY IT! WHY ARE YOU READING THIS?!

Bassoonboylt is the best multiplayer team FPS online.

It's might be the best CnC multiplayer fps game, but it isn't the best out of all of the multiplayer team fps games.

I gotta say it's the best game I played...

Graphically it could be better but it has a ace community and is the best fun I have had with a

nline game.

I got Renegade the day it came out for \$50. I got my second copy two weeks ago for \$15. I like this game so much I went out and got a backup copy, incase my firts copy goes bad for some reason.

I also burned all the patches, ACK maps, and skins to a CD incase my HD crashes. Great Game, even after 1 year.

Lefty, did you win some sort of contest to get it free? Or do you just have the inside tract to Westwood?

Generals is the first game that I didn't buy the day it came out. To much fun playing Reny you see!

You were in boston eh? I was in Boston on Wenesday, or was it Thursday? Either way, did you happen to see a group of 4 kids sitting on the back steps of City Hall with skateboards? I saw an awful lot of tourist that day, and alot of them were little pricks in the duck tour boats. Just wondering if you were one of them .
