C&C\_BF42.mix for those not familiar with the game, it's Battlefield 1942 is in the works and could use some help, you can check out some of the buildings at this link  
<http://www.cox-internet.com/kleboeuf/build.html>  
Check out the BF42 GDI Weapons Factory. Heheh

It would be nice to have some help with the skins of infantry, and vehicles. If interested. You can contact me in PM or email from my link above.

oh man thats god awful, looks nothing like BF1942

Dude if you gonna make a map, put some effort into it, esp. if you are gonna try to compare it to one of the biggest games ever.

Man.. ACK is gonna have a field day with this.. :rolleyes:

First of all the pictures you looked at are not the map, it's only the buildings. etc.... the map is'nt even started. do you have an IQ above 10? for you to just comment like you did really says a lot.

Well, your topic title does say "map" but you stated "take a look at the buildings" so, i think you posted a little soon, wait until the map is done or like half done.
