I feel they are. RC looks like it will make a nice Sniper map. Basin has potential to be a good Sniper map also.

Both are a fun in AOW.

Regarding Basin: Please make sure you have the latest version. I'm tired of people yelling about being stuck in the conyard.

Same with Bunkers. At the start of this map on The Pits, people are always complaining "im falling" yeah, and i have to say "GO GET THE NEW VERSION" six times before they stfu. then they ask AGAIN. sigh.
