I may do a rotation with other fan maps. If I get enough valid requests I will swap with one of the four fan maps I'm running, on a weekly to bi-weekly basis.

I'd take out Conquest Winter... It's too dark.

Aircraftkiller! I'd take out Conquest Winter... It's too dark.

The darkness is what makes it a fun sniping map. It is a bit big, but I will do rotations with other maps in the near future.
