maytridyKazaa-Free music, movies, software, pictures and more.

It's got everything.

It also has shitloads of spam. It installs an add program onto your computer. And a condom and girls gone wild add in the bottom corner all the time.

:rolleyes:

there's an ad for panties in the top and a link to a XXX site. He posted the link so you know where to download Kazaa Lite...which is Kazaa without all the spam, adds, and spyware.
