Is there any sort of help file available for Comando Editor? It really should have one. Something that would explain its options and features. Anyway, thats all.

You can get the latest version of RenHelp here <http://modx.renevo.com/RenHelp1.9.zip>
pluse there are a lot of other tutorials out there. also can be found here
<http://www.laeubi.de/tutorials>

I know why it is not working, it is because that is not where modx is anymore, it has a new site...
