Hello Everyone,

Not like all of you probably care, but I thought I'd tell you what's next for me, since I shutdown CnCHQ.com.

I'm planning on creating t3hhangout.com which will basically be a game with flash games, some movies, forum, chat, basically a place to go to when you're bored. If anyone wants to take over CnCHQ, you need to ask me, I'd love to see it live on.

See ya all around,
Beanyhead.
