I think someone needs to host a game on a board thats open(sky)(ie. Hourglass/Field or Walls) and we get everyone from DOM,n00bstories+Anyone that knew him on Renegade in the game to get MRLS's and fire a 6shot salute (or however you say it) at a designated time.. That would be the best

In the Fire Department we leave a pair of boots, turn out coat and helmet at the entrance of the station. In the truck we leave one seat empty for our fallen brother/sister. My server is that seat. It will remain empty for 24 hours. God bless TreyD and all of you as well.

Goodbye Trey, you were a valued member of the community, and mere words cannot possibly explain the loss that we all feel in your absense.

I've often toiled with Trey on the IRC just joking around, and also had the honour of playing him ingame on a few occasions. He was a true team player, and an extremely generous and well-thought out individual.

He will be missed.

Goodbye.

This sucks to hear about Dommie he has always answered me everytime I talk to him

My pool team played pool today and we won 7 - 5

Our Pool win is for our dear friend Dom_TreyD

May the force be with you Dommie

We will all miss Dommie especially me

Goodbye

-Lurker

The old home town looks the same,
As I step down from the train,
And there to meet me is my mama and papa
Down the road I look and there runs Mary
Hair of gold and lips like cherries
It's good to touch the green, green grass of home

Yes, they'll all be there to meet me,
All creatures smiling sweetly
It's good to touch the green, green grass of home

The old house is still standing,
Though the paint is cracked and dry
And there's an old oak tree that I used to play on
Down the lane I'll walk with my sweet Mary
Hair of gold and lips like cherries
It's good to touch the green, green grass of home

Then I awake and look around me
Cold gray walls surround me
And I realize that I was only dreamin'

There's a guard and there's a sad old padre
Arm and arm we'll walk at daybreak
Again I'll touch the green, green grass of home

Yes, they'll all be there to meet me
In the shadow of that old oak tree
As they lay me beneath the green, green grass of home

my condolences to his family and friends.

also a correction for many of you... it's "peace" not "piece" two totally different meanings and "piece" is not appropriate here.
