On field obviously Nod has snipers waiting for a tank to walk out so they can own it.....n00bboy is inspired to rid of these snipers, and gets a mammy.

As for PT 3!

"Wallhack"

Commonly found in games like CS and whatnot.

CASE- Whenever dying and getting sick of utilizing the "OMFG AIMBOT", complain about the killer using a wallhack- or the power to shoot through walls and into your empty head.

Throughout my renegade life, I have heard many idiotic saying and claims said by n00bs. This is their story
