The first one was funny, the video froze on my near the end of teh hotwire/raveshaw fight, and it just skipped to the credits. Haha, you should make some more of these.

I'll help with making movies if you require assistance; MOOVEES R TEH FUNNEEE!!!!1111@1111

Anyway, I don't use MSN any longer. However, you can email me at webmaster@aspenth.com, message me on AIM @ [Aspenthv2](#), or page me over Renegade at [Aspenth/aspxp](#)(depending on

which name I'm on with).

funny

did u use a video camera and aim it at the screen, cause its fussy and its tilted?

LMAO

Quote:did u use a video camera and aim it at the screen, cause its fussy and its tilted?

Yeah, he did.

You should use Camtasia or Snagit. (screenshot) they're both free and work well.

EnglandI cant see it :/ I hear it but no picture

That happened to me when I used Winamp, so I saved it and opened it in windows media player.
