I need a new sniper clan, not a smurfing clan either that is just made up of snipers from elsewhere. I am a semi good sniper and can use Havoc/Sakura/Deadeye/BlackHand/Logan:D. I'm just trying to get in a clan that I will stay in for a longtime till Halo comes out. My WOL name is GeniusPr0, so just message me if your interested.

Don't message me lol, just bump this topic. My Ti 4200 short circuited so I had to get a new video card. Got the 9700NP and then my motherboard died, so now I had to RMA it. It should be here by June 17th-21st or sometime close to that.
