He asked for a serial number not download location and btw that download location does not work for me..I have to go into WW FTP to find file that link on the site is wrong

FDS serial application here

<http://renegadeserver.westwood.com/RenegadeFdsReg/index.jsp>

MSNSazabii actually need to download also, and the link doesn't work for me either. i get file not found when i try to use download accelerator to download it, i've also gone through all the sites i have bookmarked and i didn't see it on any of them either.

The FDS is still on the FTP just they have never updated the link...

There right way to it is:

ftp://ftp.westwood.com/pub/renegade/dedicatedserver/RenegadeFDS_1037.exe

Hope this helps
