Hey everyone!

My friend and I have started up a web design company. We can make you a custom website, for just about anything you have in mind. Our prices are cheap, and we give you 100% satisfaction and help. Head on over to <http://www.defactodesigns.net> and check us out today!

Please at least support us by checking out the site and registering for the forums.

KrazyKid182I'm still learning, right now we are making most of our designs for free.

Still looks good though, heres something i cooked up within like 2 minutes last night, i think it looks awesome, so do people who have seen it

<http://www.n00bstories.com/image.fetch.php?id=1408720001>

P.s, dont comment on the "fraying edges" around a couple of areas, this was a sample piece

Fortunatly i dont have any websites left meaning no screenshots of them, nor' to i have the files of

---

them (reformatted). But im more than sure you can ask one of my friends who HAVE seen my work..

P.S.. this took me 10minutes :rolleyes:

Well, I give designs only if people need them

(most of my hosted sites asked for designs so...)
