Hello
I need the w3d viewer.
Who can give me the url?
And I want to be in a mod team, does somebody know an amatur mod team?

thanks

I give you the files, I'll burn them on a cd, including all the textures. I'll call you when I'm done with it.

Lol... Further proof that you're illiterate, immature, and mentally challenged. You didn't even read my reply you slow-witted idiot. I never refered to this mod or called this mod team "amaturish", not in this thread, or anywhere else. Go back up and read what I posted dumbass.

You are the true poster child for birth control. Under a picture of you: "Don't let this happen to you! Use condoms, diaphragms or other forms of birth control."

CaptKurt, how can you call our mod "amaturish"? You havn't even seen any of our work. As far as i know, your BF1942 mod with ONE MEMBER is quite amaturish to me.

yeah, modern warfare isn't "amaturish".

I don't know anything about your battle field 1942 mod, so I can't say anything about it, but modern warfare isn't "amaturish".

It has nothing to do with the number of players

- n.
1. A person who engages in an art, science, study, or athletic activity as a pastime rather than as a profession.
 2. Sports. An athlete who has never accepted money, or who accepts money under restrictions specified by a regulatory body, for participating in a competition.
 3. One lacking the skill of a professional, as in an art.
