Sigh, I thought you were trying to get out of this habit.

No, I owned Pauloanv the first game, but the second, he won because the game lagged like shit.

Now, you said the other day, wait 10 minutes, let me fix my cable drives then I'll 1v1 you, but you never return. Then you apologize on n00bstories for it.

Now you're back into your faggot "I OWN U ALL" mood, and won't play me. You make up some bullshit excuse, simply because you know I'm too good for you. I guess you could consider yourself smart for dodging like the pussy you are, because you'd only get owned and lose all your fabricated pride. Sigh.

You suck

And, you're obviously the noob for filtering out and denying and dodging these challenged presented to you by those whom you know would kick your ass. (me)

Pussy, you'll be one until you actually play me, no bullshit excuses.

Are you sure this guy is a real n00b? Because this is the rarest simtom of a n00b and is almost always used when trying to impersonate one. I don't think he really is, but he really IS a n00b even if he really isn't one for trying to impersonate one for attention. So either way if he is a pure n00b or not he is still a n00b.

Pedromdrp you are a pussy in denial, plain and simple.

Anyone who thought they were really so good would play someone instead of making so many excuses not to play them.

Not to mention that you completely ignore the fact that I owned him instantly the first game, and the second game was completely laggy.

All talk no action.

"OMGX0R U R T3H SUXX0R I R T3H R0XX0R OMFG LOL"

And when it comes to an actual game, he is either too thick to understand how to play, thus wasting people's time, or chickens out.
