Hitler was a good man to other fucking sick demented people, it appears as if your signing up for that club, have fun ! Hitler is responsible for ethnic cleansing, crimes against humanity and the deaths of MILLIONS. You disguest me. I dont consider this a joke and even if YOU DID or tried to present it as such it's very far from the realm of humor.

I understand & repsect your opinion. Please understand though this is a very serious subject not 'my skins is better than yours'. If you think Hitler is a good man might as well just say 'We'll those Jews, they had it comming you know.' This is about the opion of Hitler being a good man. An

opinion based on no facts. The point of msg's boards is communication, when two people disagree conflict occurs. If you can't deal with this I'd suggest finding another hobby. And like I stated in this case the conflict is over a very serious issue seeing as Hitler was not a good man by any measure. Repeat after me, Hitler was not a good man.
