Pedromdrp decided it would be just funky to go off and try and make a mockery of the n00bfiles.

Although you cannot post your comments in the story itself, because I locked it, you can laugh at his moronic traits. Please do not go off and make "OMF H PEDRO TEH N00B" stories just based on stories he's posted...

If you catch him ingame, being a fucktard, by all means make a story, we'd be glad to hear from you at <http://www.n00bstories.com> =)

lol, any threads that even mention the n00bs name are described in the following pic:

Thank you Javaxcx for the wonderful pic, I need to use it more often

Now yes the n00b at hand is a total faggot with a complete disregard for the rules of his own language. Utter ignorance is not acceptable therefore I hope he gets shot in the face before I have to shoot him.

And another thing, I believe fully in capital punishment. If you dont well YOU ARE GAY!
