KIRBY098Contact EA support.

HA HA HA HA HA HA!

lol EA won't do any thing about it,they will just tell you to leave renegade and play generals

instead!!!!

do you think that wol is restricting dial up modem people..so only cable people get on...plz
sombody tell me what is wrong so i can fix it

Delete your HOSTS file?

Search for it on your computer...HOSTS, no extension.

[View Forum Message](#) <> [Reply to Message](#)

Don't flame me for this, but if WOL stays down to long Renegade will die. I don't want to see that happen, but people will start to move on.
