You can get lots of mods at <http://www.renegadezone.com/> oh and general files come here <http://modx.renevo.com/> ...

Learning modding ok well the Gmax tutorials are a good place to start which you can get here <http://www.discreet.com/products/gmax/> get the tutorials help files...

For the C&C Renegade specfic mooding you can get general turtorials from:

<http://www.nodnl.net/>

<http://www.laeubi.de/tutorials>

for begginer tutorials try one of these two:

<http://www.wildfiregames.com/insurrection/cncleveltutorial.shtml>

http://www.cncden.com/ren_map_tutorial.shtml << my favourite

What Happened To Renegade Mappers & Modders?

Hope that helps.
